Bainbridge Equestrian Center takes pride in offering quality horses and affordable excellent instruction, taught in a safe, caring & fun environment. BEC specializes in building confidence in novice riders. We set a challenging yet attainable path for all riders, from beginners to experienced show competitors. Our unique training style focuses on the strengths and weaknesses of each student to maximize their success.

Explore the world of horses! We have a well trained group of academy horses to safely take shy or eager children on their way to becoming secure, confident riders.
